

Supplies Eligible for Replacement

List of Eligible Replacement Supplies:

Every three (3) months, you are eligible through insurance to receive a replacement supply kit containing:

- One (1) Mask Interface including one cushion, headgear*, and frame
- Five (5) Mask cushions or pillows
- One (1) Tubing
- Six (6) Disposable filters (Thin Filter)
- One (1) Non-disposable filter (1" Thick Filter) [*DreamStation Platform only*]

A few payers only cover replacement headgear every six (6) months. If this is the case with your Insurance Provider, every six (6) months, you will receive six (6) cushions without a frame or headgear.

Convenient Automated Reminders:

Quality DME has two automated programs to streamline the resupply process:

Email Reminders: An Email will be sent to you when you are eligible for replacement supplies. Click the link provided in the Email to order supplies online. The Email will come from supplies@papresupply.com.

Auto Supply: You may also sign up to automatically have your replacement supplies shipped when you are eligible. Some insurances do not allow this method. Contact our Resupply Team at 888-276-3237 or Resupply@qualitydme.com to inquire about more information or enroll.
