

The Automatic Resupply Program offers a fast and convenient way to get your recommended replacement CPAP supplies.

Most insurance plans allow us to send the following supplies every 3 months. This is based off the manufacturer's recommended replacement schedule.

A typical order may include:

- **(1)** Mask interface including one cushion, headgear and frame
- **(3)** Full face cushions or **(6)** nasal cushions/pillows
- **(1)** Tubing
- **(6)** Disposable filters
- **(1)** Non-disposable filter *when applicable

You may opt out of the Automatic Replacement Program at any time.

DISCLAIMERS:

***Medicare, Anthem and any insurance payor that follows Center for Medicare and Medicaid Services (CMS) guidelines does not allow you to be enrolled in our Automatic Resupply Program.** Please contact us directly for your specific policy details.

*Insurance payers cover items at unique intervals and may have certain restrictions. We will always do our best to provide you with the items that are covered by your plan unless you request additional supplies as a retail expense.

*Ineligible items may be purchased at self-pay rates with your prior approval at any time.
